

The State of GYN Cancer in AK: COVID, Clinical Trials and New Directions

Dr Melissa Hardesty
Alaska Women's Cancer Care

COVID

No one: How long do you think this COVID-19 mess will go on?

Me:

lorenholmes @lorenholmes · 1h
Alaska's largest hospital, @ProvAK began vaccinating front-line caregivers this week
[#CovidVaccine](#)

2 11

**PROS: Telehealth
Alaska was a good place to be for
the GYN CANCER patients**

Clinical Trials

Thank you

- The patients who participate
- The forces that allow us to have trials open in Alaska: Providence Cancer Center,

How to get on trials

- Ask your doc (but know that we in Alaska ALWAYS Have this on our mind also

• Check

trialinfo... Phase 1

2 2

What trials do we have open in Alaska

New Directions

- **Alaska: Raising the BAR**
 - **New FDA approvals, treatment options. . .**
 - **Always keeping up with the science**
- **Branching out in Alaska (telehealth and more)**
